TRK™ Series

Track Light Fixture

TRK Series

DESCRIPTION

The TRK Series Family of track light fixtures offered in attractive brushed nickel or black finish options. The TRK Track lights are designed for superior directional lighting distribution without taking away from the interior design of any living space. Gimbals heads provides superior lighting for living spaces such as living rooms, bedrooms and more. Adjustable light heads will offer you more flexibility and will allow you to point the light in areas where you need it the most. This indoor light is rated for use in damp locations. Strategically designed using premium quality materials, this light provides a durable and long-lasting functionality to give your home the perfect illumination.

Specification Features

Construction

Die Cast Aluminum Heads on a curved aluminum frame. Each of the track heads is mounted on a swivel to allow them to be moved and adjusted for customized, directional lighting.

Qualifications

All luminaires are built to UL 1598 and 2108 standards, and bear appropriate ETL labels. Damp location labeling is standard. Emergency equipped fixtures labeled UL924. Adheres to LM70, LM80, and TM21 industry standards. **Integrated LED Models are ENERGY STAR® certified.** Dedicated 120V Models are FCC Title 47 CFR, Part 15, Class B for residential and commercial applications.

Electrical

LED Models Equipped standard with 120V fixed output driver operating at 60 Hz.

Installation
